Early Beginnings in Bengali Literature and Art

The roots of Bengali comics can be traced back to the rich tradition of storytelling and visual art in Bengal. Historically, Bengali literature has been replete with folktales, fables, and satirical poetry that often employed humor to convey moral lessons or critique social norms. Artists and writers, inspired by this legacy, began experimenting with visual storytelling formats that could reach a broader audience.

During the early 20th century, with the advent of printing presses and newspapers, cartoonists and illustrators started publishing satirical sketches and caricatures in Bengali newspapers and magazines. These served as precursors to modern comics, blending humor with social commentary. Notable figures like Shankar and Mukul Dey contributed to this burgeoning tradition by creating caricatures that depicted societal issues.

Emergence of Short Comics (Choti Comics) in Bengali Media

The term "choti" (meaning "short" in Bengali) gained prominence as comics began to be produced in a condensed, easily digestible format. These short comics were characterized by their brevity—often a single page or a few panels—focusing on quick humor or poignant social observations. They became particularly popular among students, youth, and working-class audiences seeking light entertainment that also reflected their realities.

In the mid-20th century, with the rise of Bengali magazines such as "Anandamela," "Sandesh," and "Shuktara," choti comics found a dedicated platform.
