The practice of marching and singing dates back to the 18th and 19th centuries. Soldiers historically used songs and chants to coordinate movements across long distances, with military bands and field chants aiding in marching formations.

In the U.S. military, early cadences drew influence from folk melodies, work songs, and marching tunes, adapted over time to fit military needs. During the Civil War era, soldiers often improvised chants to boost morale amid hardship.

Notable developments include:

- The incorporation of patriotic and motivational themes.
- The use of cadences during long marches and physical training.
- The establishment of official training manuals referencing cadence calls.

Post-War Era to Modern Day: Cultural Shifts and Innovation

Post-World War II, the military embraced more diverse influences, integrating contemporary music, slang, and humor into cadences. The 20th and 21st centuries saw the rise of recorded cadence CDs and digital recordings, broadening access and diversity in chants.

Contemporary practices also reflect changing attitudes towards inclusivity, with some units modifying or creating new cadences to better resonate with diverse recruits.

Typical Elements Include:

- Call Line: Delivered by the cadence caller, often commanding or descriptive.
- Response Line: Repeated by the group, reinforcing the message.

- Rhythm: Maintained through cadence counts?usually a set number of steps per syllable.
- Themes: Patriotism, perseverance, humor, or military pride.

Inclusivity and Diversity

Modern military training emphasizes inclusivity. Some units have developed cadences that reflect diverse backgrounds or promote positive messaging about equality and respect.

Integration with Physical Training

While traditionally associated with running, cadences are now incorporated into various physical training routines, including obstacle courses, team-building exercises, and specialized drills.

Controversies and Challenges

Despite their benefits, some cadences have raised concerns due to content or language that may be offensive or inappropriate by modern standards. The military has taken steps to review and modify cadences to ensure they align with contemporary values.
